EXECUTIVE SUMMARY

As previously reported, STRS has been working on a credit enhancement for \$33.9 million to support the City and Redevelopment Agency of Mission Viejo. Proceeds from the bond will be used to construct a new parking structure and to reconfigure an existing parking structure as part of the redevelopment of the Mission Viejo Mall. STRS will wrap a bank.

City of Mission Viejo and the Mission Viejo Community Development Authority

Proceeds from the bonds will be used to construct a new parking structure and to reconfigure an existing parking structure as part of the redevelopment of the Mission Viejo Mall. Simon DeBartolo Group has announced plans to expand the mall by approximately 500,000 square feet with a planned completion date of 1999. This expansion represents an approximate 50% increase in the gross leasable area of the mall. The City plans to issue the bonds through a joint power authority between the Community Development Agency and the City. The joint powers authority will be known as the Mission Viejo Community Development Finance Authority. Mall anchors include Nordstrom, Macys, Robinson-May, and Saks Fifth Avenue.

The enhancement is for \$33.9 million. STRS will wrap another bank. The transaction is expected to close in late February.
